Exposition Traverser la Manche - 1000 ans de relations anglo-normandes - Crossing the English Channel 1000 year of Anglo-Norman Relations

Using a rare set of original documents and objects, it evokes the state constitution Anglo-Norman William the Conqueror and the changing relationships Channel after its dissolution , often conflicting relationships before there comes the time Entente Cordiale and alliances. In the second part , the exhibition also focuses on the economic and trade ties , before addressing the development of tourism

and cultural influences .

The main themes addressed in the exhibition will result in a cycle of six lectures, followed by a tour .

Browse exhibitions at home by logging on www.archexpo.net on October 18.
