

**This Anglo-French event is supported  
by the European Regional Development Fund within  
the framework of the cross-border cooperation programme:**

**france ( manche  
channel ) england**  
**interreg**

The territories on either side of the Channel  
share common challenges.  
The France (Channel) - England programme  
funds cross-border projects bringing  
together French and English partners  
who wish to work together.
